(please read this before signing the application form)

## Data Protection Act

The Lloyds Banking Group includes Scottish Widows and a number of other companies including Lloyds TSB, Halifax and Bank of Scotland, and their associated companies. More information on the Lloyds Banking Group can be found at [www.lloydsbankinggroup.com](http://www.lloydsbankinggroup.com)

The information you provide on the Application will be used by Scottish Widows to set up and administer your investment. We may also use it for market research, statistical purposes and the prevention and detection of fraud. In cases where it is considered necessary for the prevention and detection of fraud or other financial crime, your information may be shared with other organisations. If necessary a copy of the application form and any other supporting information may be given to a reassurance company who will share the risk with us. We will keep the information you have supplied confidential and will not share it with others without your agreement, except where the law permits, when it may be disclosed to law enforcement agencies, Ombudsman and Regulators and except in the circumstances that follow. Your information may be shared with financial advisers or people acting on your behalf. It may also be shared with our agents and others in connection with administering your investment and services for you. In addition, it may be shared among Scottish Widows and Lloyds Banking Group companies to provide the service you applied for and to confirm and update our records and to identify other products and services which may interest you.

Under the terms of the Data Protection Act 1998 you are entitled to request a copy of information we hold relating to you. A small charge will be payable.

We may administer the investments, any existing investments you may have with Scottish Widows and provide other services from centres in countries outside the European Economic Area (such as India and the USA) that do not always have the same standard of data protection laws as the UK. However, there will be a contract in place to ensure that your information is adequately protected, and we will remain bound by our obligations under the Data Protection Act even when your personal information is processed outside the European Economic Area.

We may record and monitor telephone calls with you in case we need to check we have carried out your instructions correctly and to help improve our quality of service.

## Money Laundering Regulations

Under current regulations we are required to verify the identity of our customers. In order to meet this requirement and for the prevention and detection of fraud, we will access information from a credit reference agency\* to confirm your identity. They will authenticate your name, address and date of birth, which involves checking the details you supply against those held on any databases that the company carrying out the checks on our behalf (or any similar company) has access to. This includes information from the Electoral Register.

We will use scoring methods to authenticate your identity. Our search will not be used by lenders or insurers when assessing lending or insurance risks. We may also pass information to financial and other organisations involved in money laundering and fraud prevention to protect ourselves and our customers from theft and fraud. If you give us false or inaccurate information and we suspect fraud, we will record this and share this information with other organisations.

If you provide us with information about another person, we will treat this as confirmation that they have appointed you to act for them to consent to the processing of their personal data. This means that you have informed them of our identity and the purpose for which their personal data will be processed, namely to verify their name, address and date of birth. Where Scottish Widows receives notification affecting the legal ownership of the plan, or the appointment of an attorney under a Power of Attorney or other circumstances where there are new parties associated with the contract, the same process as set out above will apply.

**Please note that if we cannot confirm your name, address and date of birth by using a credit reference agency we may contact you to ask you to supply certain documents to verify this information.**

If you ask, we will tell you which credit reference agency we have used so you can get a copy of your details from them.

\* Please note we only use this agency to verify identity to fulfil anti-money laundering regulations and not to check credit worthiness.

## Conflicts of Interest Policy

In accordance with FSA regulations, Scottish Widows, which is a member of the Lloyds Banking Group, has established and implemented a Conflicts Policy. The Conflicts Policy sets out how we must seek to identify and manage all material conflicts of interest. Such conflicts of interest can occur in our day to day business activities, for example, where one of our clients could make a gain at the direct expense of another client, or we might be faced with an opportunity to make a gain but this would be to the direct disadvantage of one or more of our clients.

Depending on the exact nature of the conflict of interest involved, we may take certain actions in accordance with the Conflicts Policy to lessen the potential impact of the conflict. Such actions may include putting in place controls between the opposing sides of the conflict, which may control or prevent the exchange of information, and/or involve the appropriate management of staff activities and segregation of duties. In instances where such controls would not be enough to eliminate the potential material risk of damage to clients from specific conflicts, we'll disclose the general nature and/or source of those conflicts of interest to you before we take on the relevant business.

The Conflicts Policy may be revised and updated from time to time according to FSA regulations. If you'd like more information on the Conflicts Policy, or on any specific conflict of interest that you think might affect you, please contact us.

## Categorising Your Business

We'll treat you as a 'retail client', unless we contact you to let you know otherwise. Retail clients are afforded the highest level of protection under the rules of our regulator, the Financial Services Authority (FSA). You should be aware that other organisations, including the Financial Ombudsman Service (FOS) and Financial Services Compensation Scheme (FSCS), may classify you differently. If they do, they may afford you lesser rights than those which normally apply to retail clients.
